# Welcome to the UFMS World

President

Vice-President

Congratulations on your achievement! Now, you are UFMS!

The Universidade Federal de Mato Grosso do Sul is a reference in the country and worldwide in various fields, offering countless opportunities for you to go beyond the classes and the course you've chosen.

Here, we welcome, integrate, care for, and encourage you to achieve excellence and become a professional and a citizen who makes a difference in your family, in your profession, and in your relationships. All with ethics, integrity, respect, and principles.

We are here to celebrate your arrival and support you on this journey. With this in mind, we have carefully prepared this Guide and gathered the most essential information for you to explore the UFMS World! We wish you success and are proud of your journey, just as we are proud of UFMS and all that it represents for all of us!

Let's walk together through the coming years with dedication, effort, and spark in our eyes, acquiring knowledge for an extraordinary life and an increasingly innovative, sustainable, and human society. This is our wish for you!

Better than dreaming is living – and now, this dream is yours and ours! Once UFMS, always UFMS!

University Greetings,

Camila and Albert

Pesquisa

#### Mission

To develop and socialize knowledge for the benefit of society, training leaders, professionals, and conscientious citizens committed to the sustainable growth of the country and the world.

#### Vision

To be a university accessible to all people and recognized, nationally and internationally, for excellence in teaching, research, extension, entrepreneurship, sustainability, innovation, art and culture, sports and leisure, as well as the popularization of science.

#### **Values**

- Citizenship
- Effectiveness
- Ethics
- Excellence
- Integrity
- Interdisciplinarity

- Professionalism
- Respect
- Social Responsibility
- Sustainability
- Transparency

### **UFMS** Flag

The UFMS Flag was established in 2002. It features the University logo in the center, along with the Latin phrase "fons reipublicae," meaning "Cradle of Democracy." The flag also has stars surrounding the logo that represent the campuses, with a solitary star representing the University City in Campo Grande.

Turn on the

sound!

### **UFMS** Anthem

Lyrics: Geraldo Vicente Martins

Composition: Marcelo Fernandes Pereira

In luminous lands, Real heart of Brazil,

On Rondon's trails,

The wealth of the state emerged. Of unmatched grandeur,

Evoked in shades of blue,

Cerrado and Pantanal, Our Federal.

Nature of life and love, Jewel of Mato Grosso do Sul.

Welcoming work,

The legacy of good servers. It rises on the scene,

As a temple of vast knowledge,

A South-Mato-Grossense dream,

A new reality,

It shines imposing, Eternal and vibrant,

Across the fields of knowledge.

A place of loyalty,

Respect, study, and living.

# Our History:

# WE ONLY LOVE WHAT WE KNOW!

The largest and best in Mato Grosso do Sul, UFMS takes pride in being a public, free, inclusive, and high-quality university, with more than 40,000 students. The university offers on-campus and distance undergraduate courses, as well as specializations, residencies, master's, and doctoral programs. To meet this demand, the institution gathers over 4,000 people, including faculty and administrative staff, and 500 collaborators.

With ten campuses in Campo Grande, Aquidauana, Chapadão do Sul, Corumbá, Coxim, Naviraí, Nova Andradina, Paranaíba, Ponta Porã, and Três Lagoas, and also 22 Distance Education centers, UFMS promotes access to higher education and has as its primary goal the enhancement of teaching and the stimulation of research, extension activities, entrepreneurship, innovation, and sustainability. Throughout its history, the

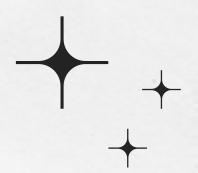

### Guia do Calouro I UFMS

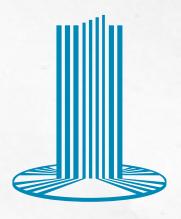

university seeks to solidify its social commitment to the South-Mato-Grossense community, enhancing citizenship and generating knowledge aimed at regional needs, with the implementation of undergraduate, technology, and bachelor's courses in various fields of knowledge.

With our research foundations, we actively participate in the preservation of natural resources, especially the fauna and flora of the Pantanal and Cerrado, regional icons, and we develop projects with indigenous communities, another symbol of our identity. Our goal is to develop centers of excellence in teaching, research, extension, and innovation that contribute to the growth of Mato Grosso do Sul, Brazil, and other countries.

professionals who have graduated here? We can't wait for your name to be up there too!

# Symbolic Monument: The Dynamism of Youth

Built in 1970, at the entrance of the University City in Campo Grande, the Symbolic Monument of UFMS, affectionately nicknamed "Paliteiro" (Toothpick Holder), is a project by architect Caetano Francarolli, who was inspired by youth. The work consists of a set of 24 horizontal columns rising from the water, symbolizing life and offering a sense of movement, expressing the dynamism of youth. The columns, directed upwards, pointing to infinity, represent the boundless eagerness of the young people of our land.

# Integrative Monument: Sou UFMS

The "Sou UFMS" sign, installed in 2019, encourages a sense of belonging and pride in being UFMS across all campuses, as well as reinforcing the university's visual identity and serving as a perfect location for photographs.

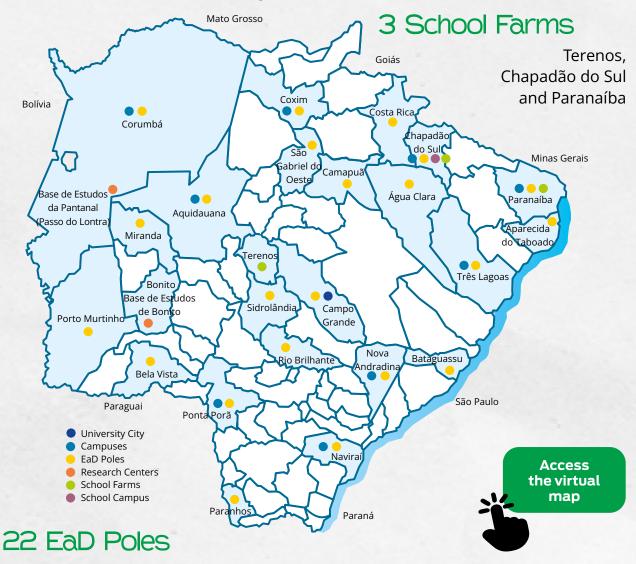

Whether in person or through distance learning, UFMS will be the place where your academic, social, and personal adventures take place. Here, streets are not just streets, and buildings are not just buildings: every corner has something to offer, from study spaces to places where you'll meet new friends or rest between missions. The more you explore the campuses and engage in activities, the faster you'll unlock new stages of university life!

Três Lagoas Campus

# Take your first steps (without getting lost along the way!)

#### Calm down, Fresher!

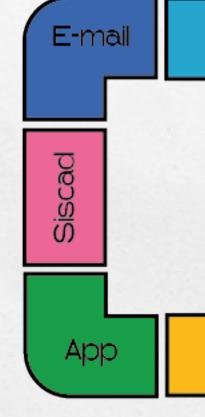

The first step has already been taken just by being here, and this journey will be full of moments only you can experience. Now that you know how to get around the campuses, it's time to explore university life. Get ready to use your skills, learn shortcuts, and, most importantly, enjoy every phase of this unique experience!

#### Academic Secretariat

The Academic Secretariat oversees and executes all activities related to undergraduate courses and is responsible for issuing documents such as Academic Transcripts, Enrollment Certificates, among others. They are present in all Academic Units and also operate online 24 hours a day.

Documents can be requested in person or issued electronically through the Academic System (Siscad) or the Post-Graduation page.

Through the apps "Sou UFMS" and "Sou UFMS Pós", available on PlayStore and Apple Store, undergraduate students can also view class schedules, attendance, and grades; access Student Identity, search the bibliographic collection; activate the UFMS Alert button; and track in real-time the internal shuttle bus route of the University City, the Capi Shuttle.

# Download the Sou UFMS Pós App

Watch the tutorial: link.ufms.br/ tutorial-app

### **RGA**

The Academic Registration Number (RGA) is the identification code you receive when you enroll.

# In the UFMS World, you can't enter without your UFMS Passport

The UFMS Passport manages your access to computers and all the University systems. It is composed of a personal login and password, meaning it is unique and non-transferable. It is necessary to use the Wi-Fi network and to fill out any academic request.

Access and create your UFMS Passport: passaporte.ufms.br

Watch the tutorial: link.ufms.br/ tutorial-passaporte

# A University Email Address Just for You

Create your UFMS email to access resources offered through UFMS's partnership with Google. To use the service, go to mail.google.com and use your username (with the @ ufms.br suffix) and the password from your UFMS Passport.

Stay updated on the usage rules: boletimoficial.ufms.br/bse/publicacao?id=545889

### **UFMS ID**

The Student ID proves that you are a student here and grants access to University spaces, the library collection, university restaurants, and gives you half-price entry, when available, to shows, cinemas, and cultural events.

The ID card is virtual for all undergraduate and graduate students with an active RGA. It is a personal and non-transferable document.

Request your UFMS ID: proaes.ufms.br/identidade

### What is Siscad?

It is the system for control, registration, monitoring, and dissemination of academic information. Here, you can check attendance, grades, and access course syllabi. It is recommended to access it at least once a week.

Watch the tutorial: link.ufms.br/ tutorial-siscad

Access Siscad: siscad.ufms.br

# What is Sigpós?

It is an automated system for control, registration, monitoring, and dissemination of UFMS post-graduation programs. In it, you can track attendance, grades, and access syllabi.

Access it: posgraduacao.ufms.br/portal/candidatos/login

### What is AVA UFMS?

The Virtual Learning Environment is your digital space to study, interact, and grow academically, whether in an on-campus or distance course. Here, you access course content, exchange ideas with colleagues, talk to professors and tutors, and complete activities and assessments.

Want to learn how to make the most of all this? Visit agead. ufms.br and check out tutorials on how to navigate AVA UFMS, meet the course requirements, and advance with autonomy in your studies.

Access it: ava.ufms.br

# Enrollments Always Online!

Enrollment establishes the academic bond between a student and a UFMS undergraduate or graduate program. The first enrollment and renewal (starting from the second semester) are done online.

Enrollment renewal is done every semester through the Academic System (Siscad) at siscad.ufms.br, according to the UFMS academic calendar. This process occurs in four stages:

- 1. Select subjects online;
- 2. The course coordination checks your enrollment and makes adjustments for any issues from the subject selection stage;
- 3. You have the opportunity to make adjustments to your enrollment after the course coordination has made its adjustments;
- 4. Finally, the Academic Secretariat validates and confirms your enrollment in Siscad.

### In the UFMS World, You Can Use Your Social Name!

A social name is the way people are recognized, identified, and named within their community and social environment, which may not correspond to their civil name.

Students can request the inclusion of their social name at the time of enrollment or at any time via an Academic Request. For minors under 18 years old, the inclusion of a social name must be requested with parental or legal guardian authorization.

Click the link or access for more information: link.ufms.br/nome-social

# FRESHERS CHALLENGE

Create your UFMS Passport and access all digital services!

UFMS Passport is your key to accessing various university systems, including AVA UFMS, institutional email, Siscad, Sigpos, Sigproj, the Sou UFMS app, the Digital Library, and more!

How to create your UFMS Passport?

- 1. Access: passaporte.ufms.br
- 2. Enter your CPF (taxpayer identification number) and date of birth
- 3. Follow the on-screen instructions to complete the registration
- 4. Create a secure password and you're done!

Now, you can access academic services easily and securely.

If you need help, contact us via email: suporte.agetic@ufms.br or WhatsApp at (67) 3345-7258.

# Rules of the game

Now that you are immersed in the UFMS World, it's time to understand the basic rules to ensure your journey is a success. Don't worry, there aren't many, and you'll learn them quickly!

UFMS has a set of rules to ensure organization, harmony, and respect within the university environment. Students should follow these principles both in-person and online:

- Kindness in all interactions at the University, with courtesy, respect, education, and consideration for others.
- · Promotion and defense of human dignity;
- Striving for and promoting equity;
- Solidarity;
- · No discrimination of any kind;
- Social integration and responsibility;
- · Defense of peace;
- Caring for UFMS's image;
- · Pluralism of ideas, beliefs, and viewpoints.

Access the Student Disciplinary Code ufms.br/regulamentos-ufms

We know you won't need this, but just so you know: The Ombudsman and the Inspector General's Office (Ouvidoria e Corregedoria) are units responsible for maintaining integrity, transparency, and access to information at the University.

The Inspector General's Office, created and implemented in 2020, aims to promote and preserve integrity, ethics, and morality in administrative actions by coordinating, planning, and organizing UFMS's investigative activities. It is responsible for initiating and conducting investigations and determining disciplinary actions.

The Ombudsman is here to help you communicate with UFMS units. You can share compliments, suggestions, complaints, reports, and requests for access to information. To do so, visit: ouvidoria.ufms.br.

Always remember: before contacting the Ombudsman, there are closer internal bodies, such as the Course Coordination, the Academic Secretariat

UFMS promotes a safe and respectful environment for its community. The UFMS Policy for Prevention and Combat of Moral and Sexual Harassment aims to prevent and eliminate violence and disrespect, ensuring that students and staff can thrive freely. If you witness or are a victim of such behavior, familiarize yourself with the reporting and support channels. The Ombudsman provides a complaint manual to ensure your voice is heard. Access the manual here: link.ufms.br/guia-denuncia-assedio

or the Management of your unit, who are available to support you in your academic journey. If you cannot resolve your issue with them or if you wish to submit a compliment or report, the Ombudsman is ready to listen and assist you.

Our University also has the Women's Ombudsman, linked to the Sou Mulher UFMS Program and the Policy for Prevention and Combat of Moral and Sexual Harassment, to support women who are victims of violence and promote the guidance and confidentiality of reports received.

# What if you get sick or have a baby?

In the Special Regime, you can carry out your academic activities at home, hospital, or school, for the following reasons:

- Illness, infection, trauma, or another health condition preventing attendance for more than seven days and up to sixty consecutive days.
- Being pregnant, starting from the eighth month of pregnancy or after childbirth, for up to 180 days, except in high-risk pregnancies, which may have an extended period. The adoptive mother can also request the Special Regime.

- Being a father, starting from the first working day after the birth of the child, for up to twenty days.
- Being part of a high-risk group in the case of an international health emergency.

# Can you request a review of your grades?

Students have the right to request a review of their grades within ten calendar days after the grade is published on Siscad. The review request must be directed to the professor in the first instance through a specific request.

# What to do if you disagree with the grade correction?

Students may request a review of their grades within ten calendar days after the grades are published on Siscad, addressed to the professor in the first instance.

### HOW TO PASS A COURSE

# Undergraduate

Students will be considered approved if they have a minimum attendance of 75% and an Average Performance (AP) equal to or higher than 6.0.

### Postgraduate

The final performance will be expressed with grades A, B, C, and D, with D considered insufficient for approval.

### Attendance

A student who does not achieve at least 75% attendance in the classes of a subject and/or participation in activities outlined in the Syllabus will be failed due to absences. In specific cases, it may be possible to compensate for missed classes, such as:

- Court summons:
- · Participation in UFMS Collegiate Board meetings as a member;
- Participation in official sports, arts, and cultural activities representing UFMS;
- Presentation of studies at technical-scientific events representing UFMS;
- Enrollment in a course or subjects up to 45 calendar days after the beginning of the semester.

# What if you notice an error in the attendance record?

Students have the right to request a review of their attendance within ten calendar days after the attendance is posted in Siscad. The request must be addressed to the professor and specify which classes were wrongly marked as absences.

### Exame Nacional de Desempenho de Estudantes (Enade)

The Enade is a test administered by the Ministry of Education at the end of each year to assess the performance of students completing a selected group of courses. The exam is mandatory, as the results are part of a set of indicators used to evaluate the quality of higher education in Brazil.

Every year, the Institutional Evaluation Directorate organizes a series of lectures and discussion rounds to prepare and sensitize students from all campuses, as well as provide support at the exam locations.

Link: ufms.br/enade/

# FRESHERS CHALLENGE

Create your Digital Student ID and level up!

Now that you have your UFMS Passport, you're ready to unlock another essential feature for your academic life: your Digital Student ID!

#### With it, you can:

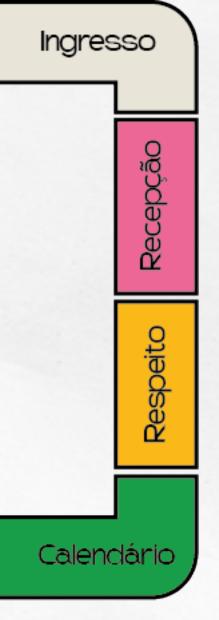

- Quickly and easily prove your enrollment;
- Guarantee half-price admission to cultural and sports events;
  - Access UFMS spaces and services more easily.

#### How to create your Digital Student ID?

- 1. Visit proaes.ufms.br/identidade/identidade-estudantilla-via and check your personal information.
  - 2. Upload a photo and submit the form. Wait up to three business days for photo approval.
- 3. Download the "Sou UFMS" or "Sou UFMS Pós" app from the Play Store or Apple Store and log in using your UFMS Passport.
  - 4. In the app menu, access the Student ID option.
- 5. Confirm your information, and voilà! Your digital ID will be available on your screen.

Now, you have your official student identification from UFMS always at hand!

Now that you know how to navigate the campus and understand the rules, your journey is becoming even more interesting. With the following tips, you'll be ready to explore academic life and enjoy the best UFMS has to offer.

### Join the Institutional Welcomel

Every year, the welcome week is held at all campuses. In addition to institutional activities, each unit organizes informational and recreational events aimed at supporting students in this new cycle. The reception is provided by the University and student groups and organizations.

#### Academic Calendar

The academic calendar is the document that sets the activities and actions to be carried out during the academic term, as well as establishing holidays and optional days off.

Access the official publication:

prograd.ufms.br/calendario-academico

# I Respect: here at UFMS and everywhere. RESPECT ALWAYS!

This campaign is part of the Se Cuide, Te Amo (Take care, I love you) Program — an action from the heart of UFMS that promotes knowledge and awareness of key themes for a better university environment. Each month has a specific theme that will be addressed through activities at all campuses, such as the Sou Mulher (I am Woman) UFMS Program, Sou Idoso (I am elderly) UFMS, Zero Waste Week, and Electronic Waste Collection Week. Participate!

#### Institutional Evaluation

Living at UFMS also means contributing to the growth and improvement of our University. From now on, you are invited to participate in the Institutional Evaluation every semester at siai.ufms.br. Be attentive to deadlines and check the results of internal and external evaluations at diavi.ufms.br.

### Libraries

UFMS libraries are freely accessible to the entire community via UFMS Passport. They house one of the largest physical collections in the state: over 490,000 physical and digital books, thousands of scientific journals, theses, and dissertations to support teaching, research, and extension activities. The "Minha Biblioteca" platform offers digital titles with an emphasis on Medicine, Health, Exact Sciences, Law, Social Sciences, Arts, and Humanities. The Pearson Virtual Library also offers digital technical, scientific, and academic books in over 40 areas of knowledge. Access to digital books from these platforms is available through the online catalog Pergamum, using the same login and password as for borrowing materials.

Check the collection, see tutorials, and participate in training: bibliotecas.ufms.br

Operating hours: bibliotecas.ufms.br/agendamento-para-atendimento

# PLACES TO EAT AT UFMS

### University Restaurant (RU)

The University Restaurant provides meals to the university community. All students enrolled in undergraduate and graduate programs at UFMS, across all campuses, can have meals at the restaurants located in The University City and the campuses in Aquidauana, Pantanal, and Três Lagoas. The RU operates from Monday to Friday, serving lunch and dinner, and on Saturdays for lunch only.

Request access to the RU: proaes.ufms.br/acesso-ao-ru/

# MASTER'S

Fill out your profile in the Academic System with the Federal Government's Unique Registration (Cadastro Único do Governo Federal) and gain access to an allowance for balanced meals in one of our University Restaurants.

### Cafeterias and Academic kitchens

Signposted on the maps of each campus, the units also feature cafeterias and academic kitchens for use by students and staff.

Learn more about the cafeterias and automated vending machines:

proadi.ufms.br/cantinas-ufms/

proadi.ufms.br/files/2022/08/VENDING-MACHINE.pdf

# Guia do Calouro | UFMS

### Success and quality of life in studies

To ensure that undergraduate students can thrive in university life, UFMS offers financial aid aimed at students facing socio-economic vulnerability. To apply, the student must prove, through the Unique Registration (Cadastro Único), a family income of up to one minimum wage per person. In addition, all campuses of the university have support teams, including translators and interpreters of Brazilian Sign Language (Libras), psychologists, and social workers for the assistance of undergraduate and graduate students.

The Dean of Student Affairs (Proaes) is responsible for integration actions, social services, and health and well-being promotion for students. To support everyone, Proaes works with the secretariats and student support sectors, which provide direct assistance to students at each campus.

#### Permanence Aid

Helps with the basic expenses of students in undergraduate programs during their time at the university.

proaes.ufms.br/diretorias/diaes/seae/auxilio-permanencia/

### Food Aid

Meets the food needs of undergraduate students, especially those at campuses without a University Restaurant or other food provision.

proaes.ufms.br/diretorias/diaes/seae/auxilio-alimentacao/

# Housing Aid

Helps cover housing costs for students attending in-person undergraduate courses.

proaes.ufms.br/auxilio-moradia/

### Childcare Aid

For students in undergraduate programs who have legal custody of children under the age of six.

proaes.ufms.br/diretorias/diaes/seae/auxilio-creche/

### Transport Aid

For students attending in-person courses in municipalities without free public transportation.

proaes.ufms.br/auxilios-de-assistencia-estudantil/

### Aid for Student Participation in Events

Financial support for students participating in scientific, technical, entrepreneurial, sports, artistic, and cultural events.

proaes.ufms.br/auxilio-para-participacao-de-estudantes-em-eventos/

# **Emergency Aid**

Provided to students enrolled in face-to-face undergraduate courses, who are facing unexpected and temporary socio-economic difficulties, especially those who are newcomers or from municipalities far from the campus.

proaes.ufms.br/diretorias/diaes/seae/auxilio-emergencial/

### Promisaes Scholarship

Financial support for foreign students enrolled in the Undergraduate Student Exchange Program (PEC-G).

proaes.ufms.br/diretorias/diaes/seae/bolsa-promisaes/

# MASTER'S

The payment of aids and scholarships is made to the bank account indicated by the student after registration and selection in the public notice. Unless otherwise stated in the notice, payments are always made by the 10th working day of the following month.

### INCLUSION

# Academic Support

This support is provided by UFMS students who offer review lessons in basic subjects like Portuguese, Mathematics, Chemistry, and Physics to help reduce school dropout rates.

proaes.ufms.br/auxilio-apoio-pedagogico

### Support for students with disabilities and special skills

UFMS offers support for students with disabilities (visual, auditory, motor, etc.) and those with special skills. The request can bem ade by filling out the form available at this link: proaes.ufms.br/diretorias/didest/seaaf/acessibilidade-2

# Family Space

UFMS has installed Family Spaces across campuses to provide comfort and peace for students, staff, and employees who are parents and may need to bring their children to university. These baby care rooms, located in both men's and women's bathrooms, are available in suitable and easily accessible locations, na are marked on campus maps.

# Guia do Calouro | UFMS

### Digital Totem

Located throughout all campuses, the Sou UFMS digital totems assist students, staff, and visitors in accessing useful information about the university: UFMS portal, Admissions pages, Graduate programs, User Service Charter, Freshers Guide, and Campus Maps.

### Health and Accessibility Care

Proaes is the unit responsible for developing mental health care actions for UFMS students and monitors the Accessibility Policy on all UFMS campuses.

Students with disabilities should contact the Dean of Student Affairs to request evaluation and follow-up.

### Psychological and Social Services

In a preventive, early, and efficient manner, this initiative covers undergraduate and graduate students. Psychological services include low- and medium-complexity care. Social services address situations experienced by students in the educational and social spheres that may lead to their retention or dropout, limiting their academic experience in various fields at the university. If extended psychological support is needed, students will be referred to the School of Psychology service, UFMS partner institutions connected to the Unified Health System (SUS), or registered professionals offering social fee services.

To request Psychological Care:

# Navigate the University Experience

As you complete academic tasks, achieve high grades, and participate in activities, you accumulate academic experience points, but exploring new spaces, attending events, and engaging in extracurricular activities can unlock new skills and discoveries. Don't focus only on the main missions (exams and assignments). Secondary missions are where you will find some of the greatest bonuses and surprises on this journey. **Enjoy!** 

### Glauce Rocha Theater

Located in The University City, the Teatro Glauce Rocha is the most important stage in the state of Mato Grosso do Sul. The venue has over 700 seats and is named after the actress born in the capital. Throughout the year, the Glauce Rocha hosts artistic and cultural performances, including dance, music, and theater shows. It also hosts seminars, meetings, and congresses.

## MASTER'S

To contribute to the cultural and artistic life of Mato Grosso do Sul, UFMS has over 20 auditoriums across its campuses. Check out the full list on the next page.

#### Archaeology Museum

The Archaeology Museum (Muarq) collects and investigates prehistoric data and regional history. Its collection includes over 250,000 pieces, some up to 12,000 years old, all found in the state of Mato Grosso do Sul.

#### Green Room

The UFMS Green Room is a space dedicated to environmental education and sustainability promotion, certified by the Ministry of the Environment's Green Rooms project. Open to the university community and the public, it offers a space for playful activities, games, training, and lectures that encourage reflection on the preservation of the three main biomes of Mato Grosso do Sul. The initiative aims to strengthen socio-environmental awareness and promote sustainable practices through informal education.

Link: dides.ufms.br/sala-verde-ufms/

#### **Botanical Garden**

The biodiversity found on university grounds led to the establishment of the UFMS Botanical Garden, which includes the University City, the Pantanal and Bonito campuses and study bases, making it the only member of the Brazilian Botanical Gardens Network in the Midwest. The initiative promotes the study and protection of the fauna, flora, and genetic heritage of the Atlantic Forest, Cerrado, Pantanal, and Chaco biomes.

## Science Park and the Museum of Science and Technology

The Science Park, located at the Esplanada do Morenão, and the Museum of Science and Technology of UFMS, currently under construction in the stadium's basement, aim to popularize science and bring Basic Education students closer to the knowledge produced at the University. Structures such as the immersive auditorium, the Resonance Swing, the Interactive Mosaic, and Archimedes' Lever, among others, assist in the practical understanding of the laws of physics and connect the internal and external UFMS community to the amazing world of science.

And the second s

#### House of Science and Culture of Campo Grande

The House of Science and Culture of Campo Grande is an extension program aimed at popularizing and disseminating science, promoting social inclusion, and encouraging youth towards scientific careers. The space is located in the parking lot of the Glauce Rocha Theater in The University City.

#### Cultural Center of the Aquidauana Campus

Inaugurated in 2024, the Cultural Center of the Aquidauana Campus is a space dedicated to sharing experiences, stories, art, and culture, created as a reference point for interaction between the Aquidauana population and the UFMS community. The center also hosts the Manoel de Barros Laboratory, the Sociocultural Entrepreneurship Laboratory, and the Memory and Research Space: The Paraguayan War "Mbyá", which promote studies and projects related to regional culture, innovation practices, and the preservation of local history.

Link: cpaq.ufms.br/centro-cultural/

#### Henrique Spengler Memorial

The Henrique Spengler Memorial, coordinated by the Coxim Campus, is an open space dedicated to preserving the works and personal belongings of the visual artist Henrique de Melo Spengler. Spengler was a significant figure in the political and cultural spheres of Mato Grosso do Sul, especially in the construction of the state's identity, a central theme in his art. His engravings and paintings are inspired by the Kadiwéu iconography.

Link: cpcx.ufms.br/memorial

## MASTER'S

The space is located at Rua Jandira Cardeal Figueiredo, 80, in the center of the municipality of Coxim

#### Anatomy Museum

Located in Sector 3 of the University City, near the Lago do Amor, the Anatomy Museum displays the UFMS anatomical collection for both the internal and external communities, with the aim of popularizing science and sparking curiosity among the population.

#### Moreninho Gymnasium

Inaugurated in 1976 and located in the University City, the Eric Tinoco Marques Sports Gymnasium, also known as Moreninho, is a key space for sports practice at UFMS. In addition to classes for students from the Faculty of Education and training for sports teams, the gymnasium hosts events such as the Integra UFMS, the Fetec MS (Fair of Technologies, Engineering, and Sciences of Mato Grosso do Sul), graduations, and exhibitions.

#### Morenão Stadium

Inaugurated on March 7, 1971, the Pedro Pedrossian Stadium, also known as Morenão, is a cultural and sports heritage of Mato Grosso do Sul society. Designed by architects Avedis Balabanian and Ciríaco Maymone, the stadium spans approximately 50,000 square meters and has a capacity of 30,000 people, making it the largest university stadium in the country.

To promote sports practices across the University City and the campuses, UFMS offers aquatic complexes with swimming pools, various courts, outdoor gyms, and the Academic Fitness Center.

By participating in institutional events, you earn specialization points and engage in artistic, sports, and cultural activities. This is a unique opportunity to gain creative skills and increase interaction with other participants in the UFMS World. Check out the upcoming events!

#### Professional Development Week

The event, held annually, aims to bring students and alumni closer to the job market. In addition to integration with companies and institutions, participants have access to free lectures and workshops from prominent professionals in their areas.

More information: sedep.ufms.br/

#### More Sports Festival

The Academic Calendar also holds the practice of physical and sports activities. A major event in the UFMS calendar promoting physical activity and sports. The Festival Mais Esporte offers various sports and fosters integration among students, faculty, staff, and participants from the University for the Elderly program, along with athletes, students from other institutions, and physical education professionals from Mato Grosso do Sul.

#### UFMS Road Race and Campuses Walk

Aimed at promoting physical activity, these events include both competitive and non-competitive components, with a focus on fostering an active lifestyle, adressed not only to the university comunity but also to the society in general. The annual events feature routes of 3.5 km and 7 km across all campuses and are open to the public.

#### Welcome Show and Summer Show

Held at the beginning of each semester, these events aim to welcome and integrate Freshers, Seniors students, and staff. The events create memorable experiences and promote a sense of belonging to UFMS, featuring regional performances and celebrating Mato Grosso do Sul's culture.

#### Arraiá UFMS

Celebrating traditional Brazilian cultural festivals, the Arraiá UFMS is held annually across all campuses at the start of the second academic term. The event includes food stalls, traditional games, dance (quadrilhas), and musical performances.

#### More Culture Festival

This annual event fosters the experience of art and culture at UFMS, with performances in dance, music, theater, film screenings, storytelling, photography exhibitions, and more.

#### Integra UFMS

Integra UFMS is the largest scientific event in Mato Grosso do Sul. Held annually at the University City, it features the Fetec-MS (Fair of Technologies, Engineering, and Sciences of Mato Grosso do Sul). The event integrates projects from various UFMS sectors, and the public, including school groups from all over the state, are invited to participate in workshops, mini-courses, and other educational activities.

### **Unlock New Experiences**

Extracurricular activities are a key part of your university journey. They serve as "side missions" that help develop social, leadership, and teamwork skills, in addition to providing unique experiences. You'll notice that extracurricular activities are opportunities to gain skills beyond the classroom. Every new activity you engage in is a secondary mission that can help you improve in something new, plus they offer a large network of contacts. Stay tuned because these connections can help you level up more quickly and perhaps unlock new game modes you never imagined!

Ligas

Competição

Ciência

#### Internship

Internships are activities developed by students to complement their learning by experiencing classroom content in the workplace, either in public and private institutions or under the guidance of professionals. The Mandatory internship is part of the curriculum structure and is required to graduate. The Non-mandatory internship offers an employment relationship between the student and the company and is arranged directly by the student. It must be paid and have a contract lasting one to two years.

Learn more: estagio.ufms.br

#### Competition Teams

These teams consist of students, coordinated by a faculty member, whose goal is to participate in academic and scientific competitions, representing UFMS.

Check out the teams: link.ufms.br/equipes-competicao

#### Academic League

Academic leagues are autonomous entities registered at the Dean of Undergraduate Studies, proposed and organized by a group of students under the general coordination of a professor. These actions integrate teaching, research, extension, innovation, and entrepreneurship to deepen academic topics and enrich the teaching-learning process, promoting knowledge sharing with the community.

Check out the academic leagues: link.ufms.br/ligas

#### Scientific Initiation

UFMS offers Institutional Scholarship Programs for Scientific Initiation (Pibic) and Voluntary Scientific Initiation (Pivic), aiming to awaken scientific vocation and stimulate young talents by involving undergraduate students in research projects under a professor's guidance. The program fosters learning in research techniques, methods, ethics, and critical thinking.

#### Technological and Innovation Initiation

Besides enhancing professional development, the Institutional Scholarship Programs for Technological Development and Innovation (Pibiti) and Voluntary Technological Development and Innovation Initiation (Piviti) encourage undergraduate students to engage in scientific, technological, and innovation-focused activities.

#### Teaching Initiation

The Institutional Scholarship Program for Teaching Initiation (Pibid) is an initiative by Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (Capes), aimed at improving the training of students in teacher education programs by involving them in public schools for activities related to their future teaching careers.

Learn more: link.ufms.br/iniciacao-docencia

#### Extension Programs

UFMS offers both paid and voluntary extension programs, which connect the University to broader society through educational, artistic, cultural, and scientific actions. These initiatives help promote social impact and transformation. Through university extension, your curriculum will gain more dynamism as you experience diverse practices and engage with different people and realities.

#### Work-Based Education Program for Health (PET-Saúde)

Supported by the Ministries of Health and Education, PET-Saúde promotes tutorial learning groups in areas strategic to the Unified Health System (SUS). It focuses on in-service qualification for healthcare professionals and work initiation for students in healthcare programs enrolled on undergraduate and graduate courses.

Learn more: link.ufms.br/propet-saude

#### Tutorial Education Program (PET)

The PET (Educational Tutorial Program), from the Ministry of Education, aims to enhance graduate courses by integrating teaching, research, extension, and innovation activities. It also fosters the development of undergraduate students as professionals who are creative, critical, and globally aware.

Learn more: link.ufms.br/grupos-pet

#### Tutoring (Monitoria)

The Institutional Tutoring Program helps improve the quality of undergraduate courses by linking theory with practice through didactic-pedagogical activities involving both students and professors.

Learn more: link.ufms.br/monitoria-graduacao

#### Teaching Actions and Projects

Linked to the Pedagogical Projects of undergraduate courses, teaching projects aim to implement innovative actions and methodologies to improve your university experience and enhance the teaching-learning process.

Learn more: link.ufms.br/peg

#### Junior Companies

Junior Companies are created and managed by undergraduate students, under faculty supervision, to provide services below market prices while promoting personal and professional growth. The UFMS Júnior Program encourages the culture of entrepreneurship at UFMS and in the region and the maintenance of Junior companies in the University.

Learn more: ufmsjr.ufms.br

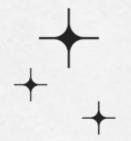

Becoming an active member in student organizations grants 'leadership points' and unlocks new types of missions.

#### **Enactus Teams**

UFMS supports social entrepreneurship by creating and supporting teams formed by students and faculty to strengthen initiatives across all campuses, with the help of Enactus Brazil.

Check out UFMS teams: link.ufms.br/times-enactus

#### Athletic Associations

Managed by students of one or more courses, these associations aim to promote social, sports, and recreational activities, such as donation campaigns, university games, kit sales, and parties.

#### Academic Centers and Central Directory

Academic Centers (CA) and the Central Directory of Students (DCE) act as political bodies within the university. These organizations allow students to mobilize for improvements in their courses and the UFMS community.

#### Collectives and support and volunteer groups at UFMS

UFMS has several support and volunteer groups, organized by students, duly registered at the Dean of Sustainability and Citizenship, with the aim of promoting integration and community support. Check the initiatives:

## 1. UFMS Dunamis Pockets support group

A Christian para-ecclesiastical movement focused on awaken chritian principles of leadership and social development, changing society around it.

Instagram @pocketsufms

## 2. Universitaries in Christ support group (UniChristi):

A group providing spiritual support for Catholic students and staff, through pastoral and liturgical actions. The meetings are weekly, at a time and location defined by the members and shared on social media.

Instagram @unichristi.ufms

#### 3. Fison support group

A Christian-oriented, interdenominational, and para-ecclesiastical movement, the Fison group seeks to unite the university community and offer support, with regular meetings and volunteer actions within UFMS, focused on health and public service, legal guidance, psychosocial support, among others.

Instagram @fison\_\_

#### 4. Transpor support group

A group dedicated to creating a safe space for the transvestigender population within the University, as well as develop actions to welcome, guide, and establish a dialogue on the specific needs and issues of the community.

Instagram @coletivo.transpor

#### 5. Brazilian Christian Association in Science in Campo Grande

The group aims to support and encourage the university community to reflect on the relationship between scientific practice and spirituality, considering that respectful and open dialogue in an academic environment can broaden the perception of religious experience and deepen technical and scientific understanding in the academic context.

Instagram @abc2campograndems

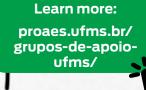

#### 6. Universitary Biblical Alliance (University City)

It is a student movement and a national evangelical missionary organization, with the goal of contributing to and supporting the development of students and professionals in the context of family, church, their place of study, professional activity, and society.

Instagram @abucgms

#### 7. Universitary Biblical Alliance (Três Lagoas Campus)

The group is a movement aimed at promoting the evangelization of students and staff through the communication of the Gospel message, according to the Bible, and the practical demonstration of its teachings. Instagram: @abutreslagoas

### FRESHERS CHALLENGE

Want to stay updated on these activities? Follow the University's social media on Instagram, Facebook, LinkedIn, YouTube, Spotify, and WhatsApp.

### **Combine Activities**

Want to earn all the points in university life? Balance is the key to success! Combine academic activities with extracurriculars and take advantage of the services UFMS offers to the community. The goal is to have the best possible experience!

#### **UFMS** Academic Fitness Center

Located at the University City Campus, the UFMS School Academic Fitness Center is used for practical classes in Physical Education courses, offering weight training and physical training for undergraduate and graduate students, staff, participants of the Institutional Program "University Open to the Elderly" outsourced employees, employees from the Fundação de Apoio à Pesquisa, ao Ensino e à Cultura, and the general community.

Here's the full list of equipment at our Academic Fitness Center:

#### **Weight Training:**

Barbells (straight, Olympic, and hexagonal); dumbbells of various weights; mats; ankle weights; flat and inclined bench press; leg press (45° and horizontal); extension and flexion machines; scott bench; hack squat; calf raise machine.

#### **Cardio Equipment:**

Treadmills; stationary bicycles; ellipticals.

#### **Pilates:**

Swiss balls; resistance bands; magic circle.

Learn more at: link.ufms.br/ espacos-esportivos

#### Outdoor Gym

Available on all campuses, the Outdoor Gyms promote physical activity for the university community. These areas feature boards with illustrations and instructions on how to perform body movements with the following equipment:

Double Abdominal Machine, High Rotating Bar, Fixed Bar, Mechanical Elliptical, Lower Back Extender, Set of Bars, Double Leg Press, Double Chest Press, Double Pulldown, Walking Simulator, Lateral Walking Simulator, Ski Simulator, Triple Ski Simulator, Rowing Simulator, and Surf Simulator.

Saúde

Música

## Guia do Calouro | UFMS

#### Central Archive: Memories and Institutional Documentation

In addition to its administrative role, the Central Archive is responsible for preserving documents with historical and cultural value, constituting the 45-year history of UFMS.

The team, linked to the Social and Scientific Communication Agency (Agecom), offers the "Memory Trail," which highlights the key monuments of the University City Campus through the lens of the institutional collection.

For those who want to learn about the history of UFMS' 45 years from home, it's also possible to access information, photos, and official documents in a timeline on the 45anos.ufms.br page.

#### Playrooms

Located at the University City Campus, on the Aquidauana, Coxim, Naviraí, Ponta Porã, Três Lagoas, and Pantanal campuses, the playrooms serve the children of students and staff, aiming to stimulate their psychological, physical, and social development through play.

#### Capi Shuttle

UFMS offers shuttle buses for students and staff within the University City Campus, with stops at the Central Library, Faculty of Veterinary Medicine and Zootechnics, and the Chemistry Institute. The bus departs every hour, Monday through Friday.

Click here to track the shuttle's route in the "Sou UFMS" app!

Link: link.ufms.br/capi-shuttle

#### TRANSPORT ON OTHER CAMPUSES

#### Naviraí Campus

Local transportation for academic activities, such as classes and events, is provided in partnership with the Municipal Government. Departure and return times are provided by the Campus Administration.

More information: cpnv.ufms.br/transportes/

#### Coxim Campus

In Coxim, UFMS is a stop on several municipal bus lines, including Previsul, Pequi, Piracema, Nova Coxim, and Silviolândia. You can check the schedules and routes at this link.

Link: cpcx.ufms.br/historico-do-campus

#### **SERVICES**

#### Integrated School Clinic:

Available at the University City, Coxim and Três Lagoas campuses, the UFMS Integrated School Clinic provides free health care to students, staff, and the general public. It also fosters collaboration between the courses of Nursing, Physiotherapy, and Nutrition through teaching, research, and extension activities.

#### Dental Clinic

A state reference, the UFMS Faculty of Dentistry offers various dental services as part of its students' training, such as dental fillings, surgeries, endodontics, prosthetics, and oral pathology. It also offers specialized care for babies, pediatric dentistry, and treatment for individuals with special needs.

#### Language Courses:

UFMS offers foreign language programs at all campuses. The "Idiomas Sem Fronteiras" (Languages Without Borders) Program, supported by the Ministry of Education, offers free proficiency and level testing, as well as online and in-person language courses for the university community. The "Progeli" Extension Program offers accessible courses for students, staff and general public, in English, Spanish, Italian, French, German, Japanese, Portuguese for foreigners, Brazilian Sign Language (Libras), and Guarani.

Learn more: progeli.ufms.br/

Check how to participate in IsF and other international mobility opportunities at: aginter.ufms.br

### Guia do Calouro I UFMS

#### **UFMS** Publishing House

With an extensive collection, UFMS Publishing House focuses on publishing the university's knowledge, including books, conference proceedings, and journals, both printed and digital. Interested individuals can access free e-books in the Institutional Repository or purchase works at the "Ponto de Conexão Científica" (Scientific Connection Point) located at the Central Corridor of the University City Campus.

#### Dance School

The extension project "Dança de Salão" (Ballroom dance) offers lessons in various musical rhythms, taught by students under the supervision of university professors. Interested people can register for beginner and advanced classes. For more information, visit dancadesalao.ufms.br.

The Sinapse Contemporary Dance Company of UFMS, created in 2019, focuses on artistic production based on practical and theoretical studies related to dance. Auditions are required to join.

#### Music School

The Music School offers collective lessons in instruments, singing, music theory, and children's musicalization at an affordable price for students, faculty, staff, collaborators, and the general community. Activities are taught by faculty and students of the Music Education program.

#### **UFMS** Symphony Group

Initially created to complement the activities of Music Education students at UFMS, the orchestra provides continuous training for brass and percussion instrumentalists in the local community. Over time, it evolved into the UFMS Symphony Group, supporting music diffusion, concerts, video productions, and symphonic group maintenance. Interested individuals can join the Experimental Community Band and Orchestra through auditions.

#### Student Legal Assistance Office (EMAJ)

Through a humanized legal culture, the Student Legal Assistance Office (EMAJ) offers sensitive training for UFMS Law students. With units at the University City, Coxim, Três Lagoas, and Pantanal campuses, EMAJ provides both in-person and online legal assistance, bridging theory and practice through educational, pedagogical, social, cultural, and scientific activities.

#### Pharmacy School

The UFMS Pharmacy School provides free health care to the public, focusing on maintaining health and quality of life. Services include specialized care for patients with multiple sclerosis, asthma, chronic obstructive pulmonary disease, amyotrophic lateral sclerosis, and systemic sclerosis at the Hospital Universitário Maria Aparecida Pedrossian (Humap-UFMS/Ebserh) outpatient clinic. Pharmacists also offer patient follow-up, medication guidance, and health-related problem identification, including blood pressure measurement, bioimpedance, capillary glucose measurement, and peak expiratory flow measurement.

#### Computer Labs

All UFMS campuses are equipped with spaces containing computers and internet access for students, available both during classes and outside of them.

#### **UFMS** Bookstore

In addition to selling books, the UFMS Bookstore also offers stationery products and UFMS-branded items such as hats, t-shirts, mugs, and stickers, with various payment options. At the University City Campus, those interested should visit the "Ponto de Conexão Científica," located in the Central Corridor.

#### School Market

Located next to the Moreninho Gym, UFMS's School Market serves as a center for the study and commercialization of organic and agroecological products from family farming in Mato Grosso do Sul. The facility includes laboratories and rooms for training and guidance on good practices, as well as a covered outdoor patio.

#### Pantanal Mixed Business Incubator (PIME)

With units at all campuses, the Pantanal Mixed Business Incubator (PIME) facilitates the generation and consolidation of innovative ventures and supports the development of new businesses and the training of potential entrepreneurs in Mato Grosso do Sul.

Learn more: pime.ufms.br/

#### Psychology School Service

UFMS offers free psychological counseling for the university community and the general public at the University City, Paranaíba and Pantanal campuses. These services are provided by students under the supervision of professors.

#### Security

All campuses are equipped with ecotechnological bus stops powered by renewable energy, which include smart lighting sensors, USB charging displays, the UFMS Alert Button (which directly connects to university security), and speakers tuned to the UFMS Educational Radio 99.9 FM at the University City Campus. To enhance the protection of the university community, facial recognition cameras and mobile security monitoring have also been installed.

#### **UFMS** Alert Button

Developed by the UFMS Agency of Information and Communication Technology (Agetic), the system records incidents and situations reported by the university community and automatically alerts the security team with the location of the occurrence. The UFMS Alert Button is installed at the ecotechnological bus stops and accessible bathrooms, and is also available in the "Sou UFMS" app.

### FRESHERS CHALLENGE

Access your institutional email at UFMS on Google!

Did you know that UFMS offers an exclusive Google Workspace for Education Plus account? With this, you get access to:

- Institutional email (@ufms.br)
- Cloud storage to securely save your files
- Productivity tools like Google Drive, Docs, Sheets, and Slides
  - Google Meet for video calls and academic meetings
    - And much more!

#### How to activate your account?

- 1. Go to google.com.
- 2. In the username field, enter your UFMS Passport followed by @ufms.br (e.g., seu. passaporte@ufms.br).
  - 3. Enter the password for your UFMS Passport (the same one you use for other university systems).
- 4. Set up two-step verification, and you're all set! You can now use all the resources available through the UFMS Google Workspace.

# THE GAME IS JUST BEGINNING

You've successfully completed the first challenges and are now ready to face new ones, gain knowledge, and enjoy all the opportunities university life has to offer. Remember, more than grades and activities, what matters most is living the dream and experiencing the UFMS world!

Once UFMS, always UFMS!
